Practical tips to help you walk the day by day pain of separation & divorce. Marriage and whom you marry is one of the most important decisions you will make in your life. 90% of your life will be affected from this one decision. Sadly many people spend more time choosing a house or a car than they take choosing their life partner/soul mate. Sadly divorce affects at least 50% of people (more if you count the children). This book is an aid to help them walk more easily through this traumatic time in their lives. The book will also help make it easier for you to walk through one of the most painful events apart from death that anyone has to walk through in life. I congratulate you for beginning to read this book when you probably feel lousy and don't feel like reading. I hope you are encouraged and that you get the best possible outcomes for your life. Understanding and knowing what is happening is part of the battle of healing and moving forward.

Topics include: Introduction, Separation, Financial matters, Reconciliation, Divorce, Financial Settlement, Custody, Children & Blended Families, Self Esteem, Overcoming Loneliness, Emotions, Anger & Betrayal, Depression, Alcohol, Drugs & Cigarettes, Changing Addictive Habits, Women only, Men Only, Where to Now!, Life after Divorce, Wise Future Choices, Finding your soul mate, Dear Reader Help Wanted
